VANGUARD PATTERN TILE

NEMO
TILE + STONE

V2 Variation | Matte Finish

VANGUARD

Vanguard gives life to floors and walls of any room creating a unique environment full of personality. Suitable for floor or wall applications, and available in 12x12 inches the collection includes five different designs each with muted, washed-out tones of the blue and brown offering a vintage feel that lends a sense of aged elegance to a space. The cube design offers a unique look that is modern in contrast to traditional cement style tile designs.
