BRIGHT SKY - GROOVE

Matte & High-Gloss Finish

VISCAYA

Viscaya is a premium glass with a diverse collection of colors and sizes. Choose from a single color to multiple for a custom creation. The possibilities are endless! Each order is batch produced - the colors are mixed per order based on quantity required, which affects the final hue and tone of color produced. Because of this, it is recommended that a 10-15% overage is ordered to prevent shortage on an installation.
