ALASKA

Alaska is a modern, terrazzo-look inspired by nature, with tone-on-tone visuals that can easily coordinate with other collections. A slight sheen can be seen across each tile as light passes across the surface. Alaska's color palette offers versatile neutrals in a range of tile sizes from 24 x 48 to 12 x 24. Create endless possibilities when paired with one of the mosaics: 2 x 2 or the 12 piece polygon mosaic. Trim pieces of a 4 x 24 bullnose along with the 6 x 12 cove base round out installations in beautifully finished style.
